Personal Statement

I am an honest, reliable and punctual person, who can adapt well and can work under pressure. I use my initiative whenever possible, and I am always motivated to learn new skills and ideas that come my way. I am a hard working, enthusiastic character who has problem solving skills, good communication and team working skills (learnt from my past responsibilities and experiences). I believe that I am creative person, active in the performing arts, as well as my current NVQ Level 3 Beauty Therapy course. Therefore, I feel that I can bring creativity and originality to your workplace, I really feel that I am able to offer the passion and enthusiasm that is required to work with you, and I will uphold any responsibility given to me in the most effective and responsible manner.
