I am 25 years old and I am studying beauty therapy with a view to changing my career. I have previously worked as an administrator, as a travel agent and also in the hospitality industry. I am a hard worker and quick learner who enjoys being faced with new challenges and meeting new people. I am able to work well as part of a team as well as individually. I am always willing to learn new tasks to enhance my work experience. In the future I would like to study more of the holistic therapies such as aromatherapy and reflexology. After gaining enough experience I would like to teach beauty therapy.
