Personal Statement

I feel I am a very resourceful person having the ability to find quick and productive ways to overcome difficulties and challenging issues. I am tactful, sensible, clear and quick thinking, and have worked with many different cultures globally. I have over 12 years of luxury brand pre-opening experience. I believe this is a time for planning and for building our strength even more resilient, both literally and in our business approach and I know that I would bring a great deal of unique experience, strength and innovation to this position in order to rise strong and elevate your business to the next level.
