Personal Statement

At present my best qualities include my , adaptability, strong work ethics and ability to connect with others through empathy and clear communication .My life goals are to continuously grow both personally and professionally , contribute meaningfully to my community and achieve balance between pursuing my passion's and maintaining meaningful relationships.

Employment History:

June 2023 - Present - Head Therapist at (most recent employer hidden for confidentiality) Liverpool, UK - United Kingdom, (High Street Salon)

Duties included:

Client Care and Treatment:

Provide consistent professional massage and body treatments, adhering to spa protocols.

Tailor treatments to meet individual client needs, ensuring a holistic approach that considers physical, mental, and emotional well-being²³.

Staff Management:

Assess and develop therapists through training in specialist treatments and customer service.

Support the Spa Manager with daily operations, including administration and managing staff³⁷.

Safety and Compliance:

Uphold sanitation and sterilization standards as per legal and spa requirements.

Ensure client safety by advising on pre-treatment guidelines and contraindications³.

Reporting and Inventory:

Conduct stocktaking and prepare monthly reports for the branch manager³.

Professional Development:

Stay updated with the latest therapeutic techniques and holistic practices to enhance service offerings

June 2019 - February 2022 - Holistic Therapist at Fitbody Massage LTD, Bila Tserkva, Ukraine , Ukraine, (High Street Salon)

Duties included:

providing a range of holistic treatments

such as different types of massage therapy, aromatherapy, tailored to meet the individual needs of clients. I conducted thorough consultations to understand their health concerns, lifestyle, and goals, ensuring a personalized approach to their care.

In addition to delivering treatments, I maintained accurate client records, managed appointment bookings, and ensured the treatment space was clean, calm, and well-stocked with supplies. I also took on responsibilities such as stock taking, ordering supplies, and managing budgets for products and equipment.

Furthermore, I contributed to creating staff rotas and occasionally supported marketing efforts by promoting services and organizing wellness events. My role required strong interpersonal skills, attention to detail, and a commitment to maintaining a high standard of client care and professionalism."

June 2014 - May 2019 - Massage Therapist at Fitbody Massage LTD, Khartoum , Sudan , Sudan, (High Street Salon)

Duties included:

performing a variety of massage techniques, such as Swedish, deep tissue, Hot Stone Therapy and sports massage, tailored to clients' specific needs and health conditions. I conducted thorough client consultations to understand their medical history, preferences, and goals, ensuring safe and effective treatments.

In addition to providing treatments, I maintained a clean and organized workspace, sanitized equipment, and managed appointment scheduling to ensure smooth operations. I also took on additional responsibilities such as stock management, ensuring adequate supplies of oils, lotions, and other essentials, and occasionally assisted with creating staff rotas to optimize clinic efficiency.

I consistently prioritized client satisfaction, building strong relationships to encourage repeat visits and positive referrals, while adhering to all health and safety regulations.

Rehabilitation & massage

At the Ukrainian Institute of Arts and Sciences, the "Rehabilitation and Massage" program provided comprehensive training in physical rehabilitation and professional massage. The curriculum included humanities, natural sciences, and specialized courses such as rehabilitation for internal organ diseases, nervous system disorders, and musculoskeletal injuries. Practical training emphasized techniques like kinesiology, classical massage, fire massage, anti-cellulite massage, and more. Graduates were prepared to work in hospitals, rehabilitation centers, or educational institutions under expert faculty guidance. The two-year program also allowed progression to a bachelor's degree upon completion
