Personal Statement

For the past 5 years I have been working in the private yachting industry, I now wish to return to beauty therapy, a job I have always loved, and further my career and training. I am very interested in holistic therapies, natural/ organic treatment nutrition, and energy healing such as reiki and am willing to take extra training courses to further my skills and qualifications.

I consider myself to be an honest, reliable and self motivated Individual with a high degree of commitment. I have the ability to perform well as part of a team and also individually using my own initiative.

I am a quick and willing learner, with the desire to expand my current skills, develop my own career, and benefit the team members I work alongside.

I have excellent communication skills and a strong client focus, in which I deliver with finesse and efficacy.
