Personal Statement

My best qualities are that I am very hardworking and reliable. I enjoy a challenge and really enjoy working in the Industry. I have worked very hard to get where I am and I am looking forward to continuing pursuing my career.

I have competed in many beauty therapy competitions including WorldSkills Calgary 2009 where I placed in bronze position. This was a world wide competition where I was competing against 18 other therapists from around the world who had all competed in their home countries to compete at WorldSkills and be the best their country has to offer. It was a huge competition and I am very proud to say I competed and returned home with the bronze.
