Hobbies and Interests

I am an outgoing, lively character that enjoys working with and meeting different people. I enjoyed my two years of studying beauty therapy however, I have found it difficult to find work in Doncaster in this industry therefore have done most of my experience from working from home or going mobile. However I have had a full time job since leaving training in May 2011 and therefore do my beauty therapy mainly on nights and weekends for friends and family and associates.

I enjoy dancing, socialising with others, having a good time and the beauty industry. I enjoy shopping and spending time with friends. I enjoy modelling and have had a few photoshoots before and to persue this as a hobbie when work is available.
