Position Sought: Massage Therapist, Holistic Therapist

Personal Statement

I am a sensitive and present Massage Therapist with knowledge and experience in providing massage to vulnerable people with dependency, anxiety and stress-related issues. Through massage, I support emotional and physical well-being by providing relaxation and comfort during a session.

I am passionate about promoting a holistic approach to massage therapy by combining therapeutic and clinical methods with relaxation techniques.

I continue to educate myself and provide physical and mental well-being.

Seeking work in national and international locations and cruise ships
