Personal Statement

I am incredibly ambitious, hard working and a team player. I have fantastic people skills and a good client return record. I travel because i enjoy gaining as much experience as I can from different countries, meeting people and seeing their culture. I will me moving to London to live and work for the next couple of years. With Regards to clients, I enjoy formulating a good relationship with them in order to first and foremost meet their needs as a therapist in terms of homecare and product reccomendations and therapy itself as well as bring long term buisness into the spa/salon.
