Personal Statement

I am a hard working and driven single parent. I have ran my own business with staff and always look for ways that I can improve and achieve further. I have been completely committed to my business in the past and achieved Best Salon Design in the 2010 British Business Hairdressing Awards in recognition of its renovation and relocation to a converted church. My change in personal situation has driven me to re-educate and look for other areas to follow. I believe I have a wealth of experience, knowledge and drive that can be adapted to most roles
