Product Training:**July 2012 Dermalogica and St.Tropez**

Hayes Campus, Uxbridge College

In my first year of Beauty therapy in 2010 we were trained to provide level 2 treatments such as facials, manicures, pedicures, waxing, eyebrow/eyelash tinting and makeup in a professional manner and in a professional environment, we also got taught all of the theory such as health and safety.

I then went back to Hayes campus and applied for Level 3. In level 3 we got taught all electrical facials such as Micro-dermabrasion, Micro-current, EMS, Lymphatic drainage, Galvanic and high frequency. We also got taught body treatments such as stone therapy, body massage, lymphatic drainage, galvanic and faradic and we got trained with St.Tropez spray tanning.

February 2012**Dermologica,St.Tropez**

Hayes campus

We had a lady come in from dermologica to explain the treatments and all the products being used and she done a demo and we got some testers to test at home and got a certificate for the training also the same with St.Tropez
