## Personal Statement

I am the type of person who gives a hundred percent into everything I do. I love to enjoy life and even the smallest moments make me happy. I am a very friendly person who loves to help others with a generally positive outlook on life. I am very happy with the things I've experienced so far and am always looking to make the most out of my life. I have recently set a goal for myself to work abroad and I feel that I have the perfect personality that would thrive in a new environment.

Seeking work in Canada as well as International Locations.

## Employment History:

**May 2012 - Present - Massage Therapist** at (most recent employer hidden for confidentiality) Toronto, Canada, (Hospital / Medical Clinic)
