Personal Statement

My career started in 5 star hospitality since then I have seen different areas of 5 star hotels and due to my own passion for health and wellbeing I feel I have now found the area of 5 star service which not only makes most of my experience and skills but also makes use of my deep desire to help people living a healthier and fuller live. I would love to help building an award winning team and a sensational spa with a wide range of holistic and traditional health care professionals.

Seeking work in the UK and Italy.
