Personal Statement

I am very very good in cutting and locking hair(dreadlocks) and I am pretty good in art works with some few other things I can do, but i literally feel and believe with this little things I can do can actually take me places..... I'm a responsibility guy, I really need to provide for my families

Seeking work in international locations

Employment History:

December 2019 - Present - Hair Stylist at (most recent employer hidden for confidentiality) Lagos, Nigeria, (Hair Salon)

Duties included:

- If you have me in your salon you really don't need cleaner. I work delightfully hard and I'm very responsible
- And I'm the definition of vibe, I'm very cool and calm

Products worked with:

- Kiki clipper
- GTS clipper
- WAHL clipper

I literally don't worked with the main brand personally but I've worked with the products countless times
