Personal Statement

I am a very sociable person and find that I can work easily within a team and independently. I am trustworthy and very enthusiastic. I have gained good organisational skills, and find that I can work consistently under pressure. During my time working in Retail I have gained excellent customer service skills and I believe these are easily transferable into any other area of work. Massage is what I love doing best, its something I have a deep passion for and my goal is to become a massage therapist and do what I enjoy!
