## Personal Statement

With a wealth of experience in delivering bespoke facial treatments and massage services, I bring a unique blend of expertise to the realm of wellness and hospitality. My professional journey has been enriched by catering to the discerning clientele of super prime residences and luxury hospitality establishments, where the client is the centre of our universe. This background has ingrained in me the importance of offering not just a service but a personalised experience. Whether crafting tailored facial treatments or providing rejuvenating massages, I understand the significance of catering to individual needs and preferences. My commitment to excellence extends beyond the treatment itself; it encompasses the entire client journey. Drawing upon my extensive experience, I seamlessly blend the art of wellness with the high standards expected in super prime and luxury settings, ensuring that every client receives a truly exceptional and personalised service.
