## Personal Statement

I have a real passion for Beauty Therapy and find it fascinating the effects that a treatment can have on a client; whether it's helping them improve the appearance of their skin or helping them to unwind and relax with a massage. I always do my best to go above and beyond what is expected of me when treating a client and in my general work. My dream is to excel within the beauty industry for a company that will allow me to become the best that I can be and offer all that I have to give.

Seeking work around Sussex and Hampshire and international locations
