Elemis Barbering - is likely referring to a barbering technique or style associated with the Elemis brand. Elemis is a well-known skincare and grooming company that offers a range of products and services tailored to men's grooming needs.

Mini Facial - is a condensed version of Elemis's renowned facial treatments. Typically, it involves a shorter duration compared to a full facial but still offers many of the benefits.

Steiner Hair - is hair services onboard cruise ships were often quite comprehensive, offering everything from basic haircuts and styling to more elaborate treatments such as coloring, extensions, and special occasion styling for events like weddings or formal dinners

Go Smile Teeth Whitening system typically involves the use ampuls hydrogen peroxide along with LED lights, et design to lift up the whiten up to 2-5 shade ligther , doesn`t cause any sensitivity or pain.

Keratin Complex , is a brand known for its hair care products, particularly for keratin-based treatments. These treatments aim to strengthen and smooth hair, reducing frizz and enhancing shine. the treatments typically involve the application of a keratin solution to the hair, which is then sealed in with heat, resulting in smoother, more manageable hair.

Phyto is a brand specializing in botanical-based hair care products. It emphasizes the use of plant extracts and natural ingredients in its formulas. Phyto products often target specific hair needs, such as hydration, repair, volume, or color protection, and are designed to promote healthy hair and scalp

Baby Doll Lashes (NEF) - it for lash lifting services the techniques is safely and effectively lifting natural lashes to create a longer, lifted appearance.
