Personal Statement

I am a team sports player and very compatible for teamwork. I love to share experiences and hear about the others experiences. I am very good at communication. (For 14 years, I have been giving sales and communication education also.) I am very flexible person in business and I love to work hard. I am in the sport itself and sports industry since a very young age. I worked mostly in operations,sales and education fields. I am able to manage large teams in the firms and I have a leadership skill which I have been developed since my basketball career. I am looking forward to work for a company where I will be able to demonstrate and apply my skills and my experiences

Seeking work in national and international locations and cruise ships

Employment History:

January 2003 - Present - Founder and General Manager at (most recent employer hidden for confidentiality)
Cadiz, Spain, (Product Company)

Duties included:

This was the first company to bring international certification programs in Pilates and fitness to Türkiye. I have trained more than 10,000 people as Pilates and fitness instructors. We have also done many trainings in sales systems, communication and trainer skills procedures for the employees.

Career Break - Traveling

July 2014 - July 2015 - General Manager at SOU Spa, Spain , (5 Star Hotel Spa)

Duties included:

This was a SPA in a health club. We constructed from 0. We only created within the zone and managed with Balinese therapists. We created the decoration of the rooms, all the wet areas, the reception, the clothing and all the administrative procedures, such as guest services, therapies, menus and catering in the spa, sales procedures, pricing, customer service, reception procedures, financing, all the procedures for the employees.

July 2011 - July 2012 - General Manager at Sablon Wellness Club, Spain , (5 Star Hotel Spa)

Duties included:

Started the job 17 months after Oppenning. The club had not been able to maintain its goals up to that point. So many things must have been changed, including the interior design and management style, sales activities and CRM activities. We doubled all revenues in 11 months and most importantly improved staff and guest satisfaction and affiliation.
