

# Curriculum Vitae

**Male**

**D.O.B. 17 October 1979**

**Number of years working in industry: 16 years 3 months**

**Candidate ID Number:** 17318

**Nationality:** Hungarian

**Language Skills:**

Fluent: hungarian

Good: English

**Permitted to work in:** European Union, UK - United Kingdom

**Position Sought:** Massage Therapist

## Personal Statement

This year is the "year of great changes" in my life.

I have a 4.5 years old son, and I would like to prepare his future. So, I would like to earn money, after spare more and more money. During this time, I would like to learn languages, new skills, know new people, summa, build my life to be stronger.

Seeking work in international locations and cruise ships

## Employment History:

**November 2009 - Present - Massage Therapist** at (most recent employer hidden for confidentiality) Budapest, Hungary, (Health Club)

### Duties included:

I do my work with enthusiasm.

### Products worked with:

I am working with more types of professional massage creams and oils, as traditional "Mollis" basic massage cream, anti-cellulite cream with high paprika extract, and the same massage oil what includes paprika extract.

They haven't international reputation, but they are absolutely professional products.

## Education and Qualifications:

**2010 Cosmelec Ltd.(Kosmetik-und Coiffeur-Fachschule) Budapest**

Diploma

Swedish Massage

My favorites and specialities are the traditional swedish massage (with effective movements) and anti-cellulite massage, what is made with only hand, no with machine (e.g. with vacuum machine).

## Vocational Qualifications

I have 7 years experience of retail and wholesale trading of japanese car spare parts. I like to care with people, with

problems of people, I would like to solve them within the shortest time, as my skills let it.

## **Hobbies and Interests**

My first "hobby" is my job, the massage. I love it. But I also like sports, in the recent year I exercise "crossfit". From year of 2004 to 2012 I "lived" in the gym, but I like running and other, power sports too.

From my mind: I am interested in history, astronomy, biology, and other sciences too.
