## Personal Statement

I am deeply passionate about the industry I work in and have a natural flair to inspire and lead others.

Within the beauty profession my enthusiasm and excellent teaching standards are recognised within my local community. On request I can supply character contact names of salon owners and therapists who have been trained by me.

I have an in depth underpinning knowledge of relevant anatomy and physiology which I feel is paramount as a therapist/trainer.

If you feel I have the qualities you are looking for please consider my application and the opportunity to discuss my suitability further.

Seeking work in UK

## Employment History:

**September 2000 - Present - College Tutor** at (most recent employer hidden for confidentiality) Lancaster, UK - United Kingdom, (College)

### Duties included:

I have over 17 years experience within the beauty industry. My past employment history has taken me from a skin care counter consultant, therapist, salon owner/manager, through to my current position of a senior lecturer in an FE college.

Over the years as a lecturer I have confidently trained many students under my sole supervision and many now have successful roles themselves in the beauty industry ranging from therapists, to trained lecturers themselves.
