**Hobbies and Interests**

Passionate about the Health and Beauty industry, I keep up with latest developments in product design, technologies and treatments by working as a volunteer at the Ray Cochrane Beauty School in London. Working with students from 18+, I provide tutoring for all levels (beginners, medium and senior) ensuring the highest professional standards and compliance with academic performance management. It is motivating and energizing to be working with the next generation of beauty therapists! I also enjoy cooking, travel, learning languages and gymnastics.
