Personal Statement

I am currently working in a retail shop and therefore have a lot of retail and customer service experience. I enjoy working in a team, I am easy to get along with and I enjoy meeting new people. I am punctual, reliable and I have good attendance. My literacy and numeric skills are good and I enjoy new experiences. I like a challenge and work well under pressure either in a team or alone. I have practiced Nail Art since the age of twelve. I am a young, driven individual who would be thrilled to pursue a career in this area.

To become a Nail Technician has been a passion of mine so I have recently completed a Nail technician course in Salon West which has enabled me to achieve a Diploma in Manicure Treatments, Acrylic Overlay, UV Gel Overlay, Silk/Fibreglass Overlay and Freehand Nail Art. All of these are fully accredited with the Guild of Professional Beauty Therapists.
