## Personal Statement

A highly enthusiastic, creative and hard working individual possessing a NVQ level 2 in hairdressing with additional training such as loreal colour keys and barbering along with hot/cold fusion method of applying hair extensions and threading. As result of these qualifications, I have become skilled in many technical aspects of hair styling and operational salon management having built up years of experience within a professional salon environment. I have become accustomed to building rapport with clients through a professional approach, understanding their requirements and providing a premium service in line with these. I am now looking to join an organisation where I can build on both my technical ability as well as my experience.
