## Personal Statement

I am a highly dedicated and qualified holistic massage therapist with extensive experience as Self-employed.

I am physically fit and willing to work different shifts, including evenings and weekends.

I provide consistent body treatments and professional massage. During all this years I have developed listening and caring skills, always focusing on client wellbeing, mantaining high standars of hygiene and customer satisfaction.

I am exited and willing to take part in in-house trainings and self-development, helping out as directed or requested by the manager,

promoting our company products.

I have excellent communication skills and I work well in a team. I am aware of the importance of understanding clients' needs and responding to them in an effective manner.
