## Hobbies and Interests

Personal interested and Hobbies

During my spare time I love to play hockey about once a week with my old friends from the school hockey team and I try an stay fit and healthy and aim to go to the gym least twice a week. I have so many keen interests from nutrition, Art, aromatherapy, fashion and traveling which I have visited several countries all over the world. I love learning about the different cultures when traveling and I absolutely love to shop and buy clothes and look through magazines on the latest trends and go out with my friends and I love going for spa treatment with my friends and family.
