Personal Statement

An enthusiastic and hard-working individual who enjoys working as part of a team in order to achieve both group and individual goals. I display a flexible approach to all tasks set before me and have a "can do" attitude when taking on new goals. I am an effective motivator and believe this is reflected in my work.

Ideally I would like to pursue my career in the teaching/training industry or managing a 5* spa. In the mean time I am working towards gaining as much practical experience and theoretical knowledge as possible and look to complete several courses of personal interest to me which will go towards my continuing professional development.

Seeking to work in the UK and International Locations

Employment History:

July 2014 - Present - Beauty Therapist at (most recent employer hidden for confidentiality) Linlithgow, UK - United Kingdom, (High Street Salon)

Duties included:

My responsibilities involve greeting clients when they arrive into the salon and making them feel welcome. I perform a wide variety of treatments including massage (aromatherapy, swedish, Indian head), facials (oxygen, glycolic peels, anti-ageing), waxing (hot and strip), tinting, nails (gel overlay, polish) and LVL lashes. Providing after care and retailing products to my clients is also very important. I have worked with a variety of brands allowing me to have a wider understanding and background knowledge of products.

As well as performing treatments to a five star standard, I am also involved in duties such as taking bookings over the phone/email, taking payments and stock taking. I am also involved in coming up with new ideas and promotional offers in order to market the salon and encourage new clientelle.

Products worked with:
