## **Personal Statement**

My best qualitie is my character and personality. I am very frendly and love getting to know new people. I am good at listening and also giving advice and like to believe that people can rely and confide in me. I also always grab the first opportunity to learn new things that can benifit or develop me as I believe there is always room for improvement.

I am proud of all the qualifications and experience I have gained in my life so far. Although my main focus is beauty therapy I have had experience working in many diffrent environments and have had a chance to travel to different places. I am based in London at the moment but would like to work abrord as I love experiencing and lerning about all different cultures.

Seeking to work in the UK, International Locations and Cruise Ships
