Personal Statement

I am a hands on beauty therapist and get well stuck into what i do. I have a little business at home where I make wedding invitation cards and favour boxes and sell them online and through clients. I have had this side business for 3 years and through this experience I have built a business mind and would one day like to have my own working salon, however before I go onto my own business I would like to have the chance to travel the would picking up skills as I work in different enviroments and work places.

I have laid out specific times for each one of my goals to be completed.

1. become a beauty therapist with in the year and have my own clientele, which I have comepleted and now working on my second goal which is;

2. Work abroad for 6 months to a year.
