Personal Statement

After college I wanted to explore different job roles before I began my beauty career, this made me realise just how determined I am to succeed in Beauty, I enjoy nothing more than performing the treatments I learnt.

I am passionate about Beauty, I get on well with others as I am an outgoing person and this is what would make me an excellent addition to any team.

Seeking to work in the UK, International Locations and Cruise Ships

Employment History:

February 2015 - Present - Referencing Consultant at (most recent employer hidden for confidentiality)
Worcestershire, UK - United Kingdom, (Product Company)

Duties included:

I handle my own portfolio of clients, all of which only deal with myself personally. I understand and have proven my professionalism when it comes to data confidentiality and also sell our service to potential users when they show an interest.

My job is telephone based, so I have an excellent telephone manner, as well as good organisation skills because keeping on top of everything is crucial in my current role.

Products worked with:

Forever Living - Aloe Vera based products

January 2012 - February 2015 - Retail Professional at Iceland, Worcestershire, UK - United Kingdom, (Product Company)

Duties included:

I was a cashier because of my positive attitude towards customers, this taught me many of the customer skills I currently have today.

I was also in charge of morning stock rotation and replenishment, which meant I had to be up at 5am - I am no stranger to early starts, which I think is an important trait.
