## Personal Statement

I am very enthusiastic, motivated and ambitious with a keen emphasis for client satisfaction. I have the ability to work as an individual or in a team and can adapt quickly to any situation to produce a sound solution. I'm a keen leader and like to think out of the box. I am very approachable and a good listener with an eye for detail. I am willing to try my hand at anything and I am very keen to further my education and knowledge as much as possible.

My current position requires me to have excellent presentation and customer service. I demo all the latest Aesthetic machines to top professionals in the industry, so my knowledge of the latest treatments and machines is exceptional. My position has allowed me to move further into the sales industry and management, this is where I feel I can excel the most
