Personal Statement

I am currently the Senior Therapist/Clinic coordinator at Harmony Spa New Zealand and I have contributed to its success since opening with my focus on the ultimate guest experience and results driven skincare treatment plans. I love my position here and the loyal client base I have built however I am now looking for a new challenge in a new location. My warm and friendly nature along with my rapport building skills has enabled me to become a consistently high retail achiever and led me to becoming Head of Retail at Rudding Park, where I was responsible for training other staff, monitoring sales and setting and delivering team incentives to boost retail revenue. I enjoy living and working abroad as I love to meet new people and explore new places, after working in both Australia and New Zealand and I am ready for a new challenge and excited to continue my growth and development as a therapist
