Personal Statement

I am a highly motivated, enthusiastic worker who can work as part of a team and enjoy working with others. I am methodical, patient and friendly, and would like to work as part of a team of like-minded individuals.

As I still have plenty of room for improvement, I have enrolled at Waterford College of Further Education to complete a Holistic Therapy course, which includes modules in Reflexology, Indian Head Massage, Thermal Auricular therapy and Nutrition. I also intend to complete courses in Threading and advanced waxing during this time. I will also be participating in a three-day course in Oncology Massage on the 8th, 9th and 10th of June 2016, which I am hoping to gain certification for.

Hobbies and Interests

I like to read, in particular High Fantasy and Satire. My favourite authors are Terry Pratchett, J. R. R. Tolkien, J. K. Rowling, Neil Gaiman, George R. R. Martin, Brent Weeks and Darren Shan.

I also enjoy creative writing, and write collaborative fiction on several forums with other amateur writers.

During my secondary school years, I was a member of County Wexford Youth Theatre, though I have not continued with drama lessons since, I have an interest in stage production, particularly theatrical makeup for stage and screen.

Though I no longer practise visual arts, I studied art for the entirety of my second level education, and completed a Post Leaving Cert Course in Art, Craft and Design. I still maintain an appreciation for visual art in all its forms, from traditional paint on canvas to digital art and graphic design.
