## Personal Statement

Stand in your words and be a true person is my favourite words., mean being honest even this is the hardest thing to do.but if you make it you can see the good in being in your self., it's better I have one or two friends rather in fake million friends.I never be closed enough To anyone but I will be good enough to anyone..And my goal in life is to be good person and to achieve my dreams that I can help my family and some of my relatives especially children..to be single mother is the hardest.but being strong is easiest in the help of God I'm not alone.

Seeking work in international locations and on cruise ships
