These treatments include Facials/ Advanced Facials, Massage, Waxing, Manicures, Pedicures, Gel polish, Waxing and High Definition Brows. During my time here, I have also covered reception when needed and also helped with training new therapists when needed be. I have also been encouraged to retail products to help any clients that may want to continue using what I have used in certain treatments and also to gain a client base by rebooking people who have had treatments and promoting the spa on social media.
