Personal Statement

I am in tune with my spiritual being, so treatment time for me is my opportunity to connect so I can heal the mind, body and spirit of my client.

As I harvest from my well of knowledge and experience taught and acquired. I also never forget to educate and prescribe well suited products, vitamins and general wellness advice to complete my client's holistic experience. I believe honesty and kindness sell real results and my clients always return.

I am seeking to explore and work in national spas and also travel and work in international locations
