Personal Statement

I am a responsible person who has experience working within a customer focused environment. I am passionate about customer service and this has inspired me to look for work in a role where my dedication will be valued. I have worked in a high end food establishment, providing lunches to professionals of all levels as well as ad hoc customers. I enjoyed a responsible position in retail on a temporary contract where I exceeded sales targets. I am a good communicator and work well in a team ensuring targets are met.
