## Personal Statement

I am very passionate about the aesthetic and beauty industry. I'm currently finishing my VTCT qualifications in levels 2&3 in facials and skincare at the beauty academy. Following my formation in level 4 laser and IPL at the LSBT.

From my previous jobs, I have gained experience in customer service, PR, social media and front of the house. I am used to multitasking and I'm an avid learner. I am always searching to improve my skills and knowledge and most importantly a beauty and skincare enthusiast with a lot of passion for the field. I have customer service experience and I would love to be part of a luxury clinic as I deeply enjoy the values and principles that are present in such an environment. I understand the high standards in which we play.

I am willing to go the extra mile to deliver the most professional experience for clients and to help my team achieve growing success.

Furthermore, I am extremely determined, trustworthy, a team player and have been able to manage my time very effectively in all the roles I have been a part of so far.

Looking forward to hearing from you.
