## Personal Statement

If there were three words that describe me best, then that would be honest, hard working and caring. I'm a real people's person and it brings me a lot of joy helping others and bringing a smile to their faces, which is why I take pride in providing good customer service, believing 'you should treat people the way you would want to be treated yourself'. I am a quick learner, able to adapt to any environment, excelling in kinesthetic based learning, while enjoy learning new skills through tasks and meeting new people.
