Personal Statement

I am a hard-working and conscientious individual. I am a qualified NVQ level 3 Spa Therapist. Working in this industry has given me a good understanding of my strengths and how to develop and use them professionally. I pride myself in being calm and able to build strong face to face relationships. Since qualifying, I have continued to develop and practice my skills as a therapist working in a variety of different countries and situations. More recently I freelance on a part time basis. I particularly excel in communication skills, developing good professional relationships. I consider myself a team player as well as an individual thinker who possesses the determination and enthusiasm to meet any challenge.
