Personal Statement

Desde pequeña, de 5 años o menos, me ha tocado mi abuela que a esa corta edad me asombraba su calidez y toque sanador que compartía conmigo.

Hoy, tengo más de 10 años de experiencia, trabajando en lugares de hoteles y spas de 5 estrellas, yates privados, consultorios médicos, clubes de salud, en la playa y más, disfrutando de una pasión que amo hacer: masajes y tratamientos corporales lo que significa yo: vida y conexión, con la naturaleza de la vida y del ser humano.

Compartir tu conocimiento con los clientes es una forma de compartir tu pasión y dar lo mejor de ti a todos los humanos que tocas en la vida.
