Personal Statement

My best qualities are definitely my confidence and organisational ability.

I am outspoken and able to communicate with different kinds of people, and I really enjoy it.

I am able to prioritise more important tasks and I have the ability to build great relationships with clients and colleagues.

I am very passionate about the beauty industry and love to teach people about the science behind everything.

I would love to meet people around the world and share these skills!

Seeking work in national and international locations

Employment History:

Vocational Qualifications

I do some nutrition classes in my own time in order to boost my skin care knowledge from the inside out.

I am quite good on the computer with excel, word, PowerPoint and definitely social media.

Hobbies and Interests

I absolutely love walking and cycling and currently complete 10k steps a day.

I am very passionate about the beauty industry and make a lot of posts and videos on Instagram about beauty.

Reading is very important to me, I try to read one book a month.

I love helping people so sometimes I give homeless people manicures to boost their self love and confidence. I also buy a meal for one homeless person a week.

I have pen pals from all over the world and we write to each other about our general interests.
