Personal Statement

With over 10 years of experience in the hospitality industry and in recent years training in holistic and sports massage, I have developed excellent professional communication skills. I thoroughly enjoy my job and find working with people highly rewarding. Combining my previous experience and further training, I feel confident in consistently delivering high quality massage treatments to a wide range of people with specialist requirements. I have excellent feedback from clients, I believe that this is helped by me finding out what they need and delivering a treatment which is tailored to suit them.
